Each baby sleeps, eats and plays according to his or her own schedule. Parents provide pampers, wipes, washcloths, milk, blanket and all other necessary supplies.

Toddlers learn colours, shapes, numbers and letters. Parents of children who are potty-training are asked to provide pull-ups, wipes and 2 changes of clothes.

Preschoolers

Preschoolers enjoy daily outdoor play and monthly field trips and are taught the social and academic skills which are necessary for an easy transition into primary school.

The mission of Safe and Sound Preschool is to provide children with unique opportunities to experience their value every day. Our fully devoted team of Early Childhood Professionals builds relationships with parents based on openness and integrity. Thereby, giving parents absolute peace of mind as we continually strive to elevate the standard of child care and education.
